

Sketching Angles on the Grid

Determine the measure of each angle and the reference angle

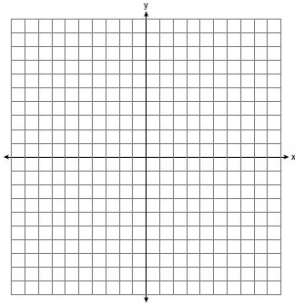

Sketch the following angles, state the quadrant, and find the reference angle

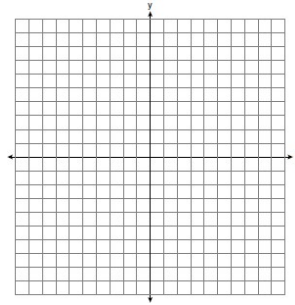

9. $\theta = 100^\circ$

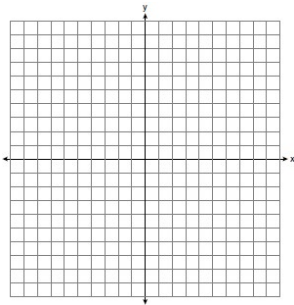

10. $\theta = 300^\circ$

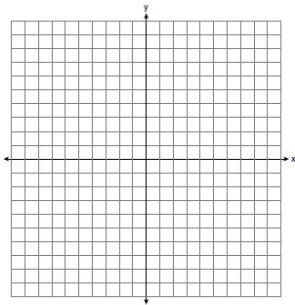

11. $\theta = 200^\circ$

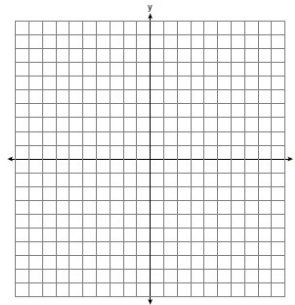

12. $\theta = 127^\circ$

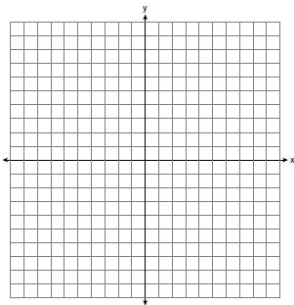

13. $\theta = 83^\circ$

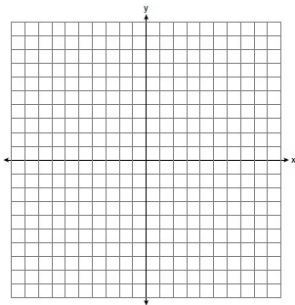

14. $\theta = 301^\circ$

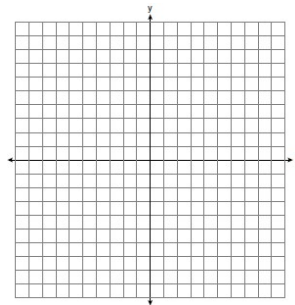

15. $\theta = 230^\circ$

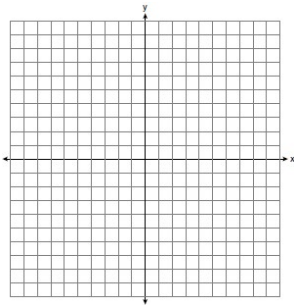

16. $\theta = 190^\circ$

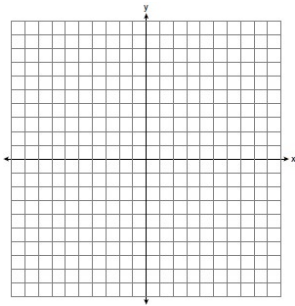

17. $\theta = 71.6^\circ$

18. $\theta = 202^\circ$

19. $\theta = 120^\circ$

20. $\theta = 312.5^\circ$
